As the number of drug overdoses reaches an all-time high, national addiction care organization has developed a uniquely powerful treatment concept in music as the secret weapon.

After being in the drug rehabilitation industry for over 25 years, Pellingner has seen first-hand that traditional rehabilitation is not often successful. Recovery Unplugged®, a national addiction care organization blazing a trail in the treatment of chemical and alcohol dependency, is unveiling a new book that provides readers with strategies used in their music-based treatments proven to produce long term results for those suffering from addiction.

Directions: From I-95 or Florida's Turnpike, Exit at I-595, proceed west to University Drive. Turn left (south) onto University Drive. Proceed approximately 1 1/2 miles and turn left onto SW 30 St (Abe Fischler Blvd.) Continue approximately 1/2 mile and turn right into the North entrance of the campus (this is Ray Ferrero, Jr. Blvd.) The public parking garage is located on the right. The parking venue is 200 yards north of the Rick Case Arena at the Don Taft University Center.
